

# Art Center of the Bluegrass

## EXHIBITION PROPOSAL GUIDELINES

The Art Center of the Bluegrass is a non-profit organization with two beautiful exhibition spaces. The Museum Gallery is the largest space, displaying our main exhibitions. It is located on the second floor of the GLASS National Art Museum. The Main Street Gallery is devoted primarily to the promotion of regional artists and is a street-facing exhibition space in a historic downtown building.

We invite proposals from artists, curators, and organizations that will be reviewed by the Exhibition Committee. The Art Center is committed to an exhibition program that fosters diversity and inclusivity.
